

Dear Friend:

I would like to ask for your help.

Someone is going to ask you to donate to a cause. I believe it might as well be me!

I will be participating in a **FUNdraising** Walk-A-Thon on Saturday, October 20, 2007, with the members of the G.O.Y.A. Project at Rutgers University. This is an event you won't want to miss! All proceeds will go to support GOYA's vision to assist communities locally and globally. **Locally:** We are supporting the daycare classrooms of the Puerto Rican Action Board in New Brunswick. **Globally:** We are supporting the rebuilding of a community learning center serving children and elders in Peru and Global Literacy Project's Africa programs for kindergarten children—especially the support of kindergarten children in the slums of Kibera, the largest slum in East Africa.

GOYA-Student Volunteerism at Rutgers brings together Rutgers students who have a sense that volunteerism is as much part of our education as is academics. By volunteering side-by-side with people from around the world, and from all economic backgrounds, we learn from each other and sensitize ourselves to global issues. GOYA believes that we are all world citizens who must contribute to world welfare.

Bring along a friend! Walk for fun, fitness, fresh air and a great cause. Reconnect with friends and neighbors. If you know someone that I forgot to send this letter to...no problem... invite anyone you know who would be interested in participating. The more the merrier. Just make additional copies of the enclosed material and pass it along or you can visit the GLP website at www.glpinc.org/goya and download the form.

I am looking forward to seeing you!

Very truly yours,

Happy Walker

“Walk for Literacy” 2007
